

## SPÜL-S

### Super concentrated dishwashing liquid

Item no. 2050

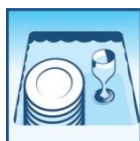

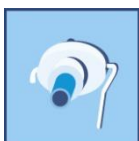

**SPÜL-S**, the long-lasting dishwashing liquid for professional use

- effectively cleans dishes, cutlery, plastics and glasses,
- spotlessly cleans windows, mirrors and all smooth surfaces,
- distributes a pleasant and fresh scent.

**SPÜL-S** is especially mild for dishes and hands

- provides fast water runoff and streak-free shine,
- does not disturb the foaming process in freshly washed beer glasses,
- especially skin-friendly due to skin-protecting substances.

#### Areas of application and recommended dilution:

**1:1000 – 1:2000**

##### **dishes, cutlery and glasses, manual dish washing**

Add approx. 5 – 10 ml SPÜL-S to 10 litre hot water. Clean manual with a sponge or similar, rinse afterwards with fresh water and let it dry. If required, polish e.g. silver platters.

**1:1000**

##### **windows, mirrors, marble, show-cases and other surfaces**

Add approx. 10 ml SPÜL-S to 10 litre cold or warm water, wipe the parts with a sponge and rub down with a squeegee or a clean cloth.

#### Characterisation:

##### **Appearance:**

Green, viscous liquid with a fresh scent of apple.

##### **Ingredients:**

Preparation from natural tensides, additives, preservatives, skin protecting agents, perfume and colour in water.

Free of AOX, aldehydes, bleaching agents, alkalis and phosphates.

##### **pH value:**

Neutral.

All ingredients are biologically degradable.
