

GERUCH-EX

Smell-binding grease decomposer on orange oil basis

Item no. 2080

GERUCH-EX is the natural solution for the removal of

- fat, sludge and other smelling organic soiling,
- mineral oil deposits, tar, bitumen and layers of wax,
- glue and tar stains on enamel varnish and smooth surfaces.

GERUCH-EX binds malodour already during use,

- banishes insects and acts deodorizing,
- if used regularly, keeps sinks and drainage pits fresh and free,
- and spreads a pleasant and orange-fresh scent.

Areas of application and recommended dilution:

Well suited for the catering services and food industries.

Conc. – 1:10	sinks, drains, waste containers, tar stains, oil spots, glue stains
1:10 – 1:100	cleaning dependant on the pollution
1:20 – 1:30	detaching agent for asphalt
1:200 – 1:500	cleaning of fatty floors and walls (kitchen)
1:100 – 1:1000	high pressure cleaning
1:10⁶	purification plants

Caution, the undiluted product may harm certain plastics! For that reason we recommend to check compatibility on an area, which is not visible.
