

BR 90

Dishwasher cleaner for beer glasses

Item no. 2112

BR 90 is the highly concentrated cleaner for machine beer glass cleaning

- in beer gardens, bistros, guest houses,
- large kitchens, canteens,
- catering businesses and folk festivals.

BR 90 convinces the ambitious consumer through

- optimum performance for all water hardness conditions,
- brilliant results at lowest dosages.
- Does not disturb the foaming process in freshly washed beer glasses.

Areas of application and recommended dilution:

1:200 – 1:500

BR 90 is well suited for all glass dishwashers (cold water) and all water hardness conditions.

Depending on the soiling and water hardness, dose 2-5 g BR 90 per litre (0,2 – 0,5% in solution).

Your HWR-partner on site advises you to find the ideal quantity of cleaner in your dishwasher and on our automatic dosage devices.
