

GLANZ-S

Stainless steel care

Item no. 2180

GLANZ-S attends to all metal surfaces

- provides a consistent, smudge-free shine,
- prevents annoying fingerprints on metal surfaces,
- drawers and sliding doors run smooth again.

GLANZ-S is a special compound of valuable contents

- antistatics protect against new staining,
- makes follow-up cleaning easier,
- harmless for use in relation with food products and equipment.

Areas of application:

Undiluted

GLANZ-S is used for the care of all metal surfaces of e.g. extractor hoods, sideboards, cabinets, elevator cabins etc.

Apply GLANZ-S sparingly and evenly on the clean surfaces and rub the product in with a non fuzzling cloth.

Do not use the product on work space for food or on hobs.

Characterisation:
