

## GLANZ-REIN

### Cleaning metal polish

Item no. 2190

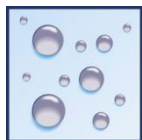

**GLANZ-REIN**, the gastronomy suitable cleaning polish for

- stainless steel (fume hood, sinks, sideboards, shelves),
- aluminium, copper, brass (bars, counters, furnitures),
- all chromed surfaces.

### GLANZ-REIN

- provides brilliant and long-lasting shine,
- care for treated surfaces, builds a water-repellent protection film,
- removes water stains, calcifications and oxidation remains without a trace.

### Areas of application:

#### Undiluted

Shake well before use and apply GLANZ-REIN sparingly with a non fuzzling cloth on the wettish surface and rub the product in. Clean brushed surfaces, made of stainless steel, in the direction of the grinding. In case of need, treat persistent residues several times. Flush with water and wipe off the surface with a tissue or a leather cloth.

### Characterisation:

#### Appearance:

White, liquid paste with a mild scent.

#### Ingredients:

Preparation from natural tensides, oils, polishing powder, corrosion inhibitors, solvents and water. Free of AOX, formaldehyde and aggressive substances of content.

#### pH value:

Neutral.

All ingredients are biologically degradable.

This product data sheet has been created according to the most current standard of technology. We do however not guarantee for correctness and completeness. No liability for damages due to improper application. update July 2015
