

## ALL-FORTE

### Nearly scent-free basic cleaner

Item no. 2520

**ALL-FORTE** is the environment-friendly basic cleaner

- best suitable for all water compatible surfaces,
- for intensively used PVC, laminate and linoleum,
- for stone, ceramic and sealed parquet floors.

**ALL-FORTE** quickly and thoroughly removes

- old polymeric, emulsion and wax layers,
- black heel lines and persistent every day soiling,
- has excellent material compatibility.

#### Areas of application and recommended dilution:

<b>1:3</b>	Strong incrustated floorings
<b>1:10</b>	Easily soiled floorings and linoleum Spread out the diluted product evenly on the flooring and let it act for 15 minutes. Afterwards scrub with water or clean mechanically.
<b>Undiluted</b>	Extremely persistent soilings Wet the soiling sparingly with ALL-FORTE, let it act for 10 minutes and remove it with a mop or brush. Afterward rinse with much water. Before applying the sealing ACRYL-GLANZ (Item no. 2620), wipe the flooring carefully at least 2-3 times with water.

For the nurturing maintenance cleaning at regular intervals, we recommend the pH-neutral, high- concentrated all-purpose cleaner ALL-CLEAN (Item no. 2540).

#### Characterisation:

##### Appearance:

Colourless liquid with a mild smell.

##### Ingredients:

Preparation from natural tensides, builders, water soluble solvents, and auxiliaries in water.
