

## ALKO-SUPER

Powerful alcohol cleaner

Item no. 2546

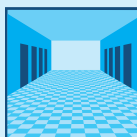

### ALKO-SUPER

- is the all-round alcohol cleaner for all waterproof surfaces and facings
- cleans synthetics, marble, glass and tile and polymer coated floors
- has been set to be particularly low-foam and is suitable for machine cleaning

### ALKO-SUPER

- removes reliably and streak-free all kind of fat and every day soiling
- acts antistatic and slows down new staining
- spreads a pleasant fresh scent

### Areas of application and recommended dilution:

**1:200**      Cleaning of surfaces by spraying method and in case of heavy soiling  
(add 40 ml to 8 litres of water).

**1:400**      Maintenance cleaning by wiping or with a cleaning machine  
(add 20 ml to 8 litres of water).

For the cleaning of heavily soiled floors, we recommend the environmentally friendly basic floor-cleaner ALL-FORTE (item no. 2520).

### Chemical characterisation:

#### Appearance:

Orange liquid with a scent of peaches.

#### Ingredients:

Preparation from alcohols, surfactants, auxiliaries, dye and perfume in water.

Free of AOX, ammoniac, acids or formaldehyde.

All surfactants are readily biodegradable.

#### pH value:

8: neutral ↘
