

BOWI-S

Floor cleaning care

Item no. 2560

BOWI-S gently takes care of the cleaning of your floors

- suitable for stone, marble, tile and plastic floors,
- leaves a shining, non-slip support film,
- mild in use and pleasant in scent.

BOWI-S makes floor cleaning fast and easy

- dirt gets immediately dissolved and can be easily picked up,
- excessive scrubbing is avoided, re-wiping is unnecessary,
- protection film protects against new staining and makes further cleaning easier.

Areas of application and recommended dilution:

1:100 Dilute BOWI-S respectively with water. Clean the floors by wiping-technique. BOWI-S is anywhere effective, where large surfaces are being stressed regularly, like in schools, hospitals, public buildings or hotels. BOWI-S is especially suited for open porous floors, which shall however receive a protective film.

Not suited for high gloss finished or coated floors.

For the cleaning of heavy stressed floors, we recommend the environmentally friendly basic floor-cleaner ALL-FORTE (Item no. 2520).

Characterisation:

Appearance:

Yellow, viscous liquid with a fruity scent.

Ingredients:

Preparation from natural tensides, builders, perfume, auxiliaries and preservatives in water.

Free of AOX, sal ammoniac, acids and formaldehyde.

pH value:

Slightly alkaline.

All ingredients are readily biodegradable.

This product data sheet has been created according to the most current standard of technology. We do however not guarantee for correctness and completeness. No liability for damages due to improper application. update July 2015
