

## FLOOR-EX

Carpet and upholstery cleaner for spray extraction devices

Item no. 2660

**FLOOR-EX** provides gentle cleaning for stressed carpets

- suitable for commercial standard extraction devices,
- high soiling dissolution strength without fibres to stick together,
- with antistatic and dirt-deflecting effect.

**FLOOR-EX** convinces the ambitious consumer

- equally suitable for carpets and upholstery,
- gentle to the object due to active care-additives,
- with effective fibre protection.

### Areas of application and recommended dilution:

**1:10 – 1:20** Dilute FLOOR-EX depending on the pollution with water (20 – 60 °C), fill the solution in the extraction device and spray on the carpet. Let it act for a few minutes and pick up the released grime.  
For the pre-treatment of persistent stains, spray a dilution of FLOOR-EX (1:1 with water) on them and rub it in.

Chewing gum is easily removed after treatment with HWR-KÄLTESPRAY (Item no. 5200).

### Characterisation:

#### Appearance:

Milky liquid with a mild scent.

#### Ingredients:

Preparation from anionic and non-ionic tensides, acrylatecopolymers, alcohols and preservatives in water. Free of AOX, aldehydes, phosphates or chlorine, bleaching or acidic compounds.

#### pH value:

Neutral.

All ingredients are biologically degradable.
