

SAN-PLUS® fresh

Natural sanitary cleaner with a fresh scent
Item no. 2690

SAN-PLUS® fresh cleans effortlessly and gentle

- tiles, wash basins, fittings and toilets,
- highly effective against lime marks, soap remains and body grease,
- does not harm fittings, metals and sealings.

SAN-PLUS® fresh is the three-fold innovation for the perfect look

- new runoff formula provides for a spotless high-speed drying process,
- natural formula from milk and citric acid for extra mild effect.
- the discreet perfuming leaves a pleasantly fruity-fresh scent.

Areas of application and recommended dilution:

1:10 - 1:200 Sanitary cleaning and hygiene in bath- and rest rooms

Dilute the product and apply it by wiping, spraying or foaming. Let it act a few minutes, rinse afterwards with fresh water. The natural formula is especially convenient for users. The pronounced runoff effect implicates a self-acting drying without leaving deposits.

Unsuitable for marble! Check compatibility to toilet lids on an area, which is not visible!

Characterisation:

Appearance:

Yellow liquid with a fresh scent of grapefruit.

Ingredients:

Preparation from natural surfactants, organic acids, corrosion inhibitors, caring substances, colour and perfume in water. Free of AOX, formaldehyde and mineral acids.

pH value:

Acidic.

Certificates of quality:

Does not harm ceramic tiles (Säurefliesner-Vereinigung; Dt. Gesellschaft für das Badewesen);

All ingredients are biologically degradable.
