

HWS rose

Liquid soap, extra mild

Item no. 2780

HWS rose, the liquid soap for sophisticated skin

- exceptionally mild and caring,
- unusual creamy, with discreet fragrance,
- suited for all refillable soap dispensers.

HWS rose finds professional application

- for the mild washing of sensitive hands,
- as liquid soap for guests in catering and hotel industries,
- as shower gel for guests and employees.

Our customer consultants advise you for appropriate soap dispensers for the personnel department, toilets, restrooms or bathrooms.

For hand-disinfection and preventive skin protection, we recommend:

- HAND-SAFE (Item no. 4450) skin protecting foam with liposomes
- HAND-CARE 24 (Item no. 2776) skin care lotion with allantoin und vitamin E
- HÄNDE-DES fluid (Item no. 2773) hand-disinfection, DGHM attested
