

## HWR-GLASKLAR

Ready-for-use glass cleaner with bio-alcohol

Item no. 2820

**HWR-GLASKLAR** is a clean solution for all smooth surfaces

- soilings are quickly and completely resolved,
- prevents new soiling through antistatic effect,
- cleaned surfaces dry off streak-free.

**HWR-GLASKLAR** stands for gentle power

- car glass is cleaned gently,
- windows including frames are cleaned in one go,
- marble surfaces shine in their original brightness.

### **Areas of application and recommended dilution:**

#### **Undiluted**

Apply HWR-GLASKLAR by spraying on the surfaces, let it act shortly and rub down with a lint-free cloth or a washleather.

#### **Characterisation:**
