

## MONIL<sup>®</sup>-SUNNY

High-performance additive for windshield washers in cars

Item no. 4135

**MONIL<sup>®</sup>-SUNNY** is a concentrate for windshield cleaning equipment

- quickly provides clear and safe sight without reams,
- highly-efficient removal of street soiling and insects.

**MONIL<sup>®</sup>-SUNNY** provides many advantages

- super-concentrated, therefore extra economical in use,
- suitable for all kinds of vehicles,
- gentle to varnish, wipers and rubber sealing.

### Areas of application and recommended dilution:

#### 1:200

MONIL<sup>®</sup>-SUNNY is suited for all windshield washers of cars, trucks, omnibuses and tram lines.

Add the concentrate to the storage tank of the windshield washer and top up with water. 20 ml MONIL<sup>®</sup>-SUNNY yields 4 l of wash water. During application in winter the concentrate may be mixed with water diluted anti-freezing agents like MONIL<sup>®</sup>-FROSTY. The percentage of anti-freeze may not exceed 50%.

Do not mix with other cleaning agents.

#### Characterisation:

##### Appearance:
