

MX 20 S

Industrial parts cleaner

Item no. 4540

MX 20 S shows outstanding dissolving performance

- removes oils, fats, waxes, resin or tar,
- suitable for de-conservation of new cars,
- scours and cleans metals, rubber and painted parts.

MX 20 S is safe and reliable

- hardened layers of paint are not affected,
- is neutral towards metals and many plastics,
- fast separating in oil mist separators.

Areas of application and recommended dilution:

Undiluted

MX 20 S may be applied by dipping, spraying or wiping. If required, flush the released dirt with water after 10 – 20 minutes. MX 20 S is especially suited for the application in paint brush washing plants.

Do not heat above 40 °C in ultrasonic baths!
