

COLOR-EX

Plastic special cleaner and
graffiti removing agent

Item no. 5520

COLOR-EX is the all-round special cleaner for paint remains and scribbling

- for plastics, tiles,
- for sign plates, vehicles, metal surfaces, window sills,
- for glass surfaces such as car windows, mirrors, display cases.

COLOR-EX is safe and reliable

- removes soiling by markers, ball point pens, ink and glue remains,
- dissolves two component paints and black heel lines,
- can be washed off with water and is nearly inflammable.

Areas of application and recommended dilution:

Undiluted

Apply COLOR-EX by dipping, spraying or wiping on the dirty surfaces, let it act and wipe with a cloth.

Clean treated floorings with a basic or all-purpose cleaner like ALLCLEAN (Item no. 2540) to avoid slip hazard.

COLOR-EX is easily removable from textiles, surfaces etc. by washing.

COLOR-EX was developed for the application in public means of transport and vehicles, agencies in charge of turnpike maintenance, schools, catering businesses and in all areas where paint remains and scribbling have to be removed.

COLOR-EX is recommended in schools and gyms to remove black heel lines.

Characterisation:

Appearance:

Colourless liquid with a smell of benzine.
