

MONIL®-STR

Self-acting stone cleaner with chlorine

Item no. 4700

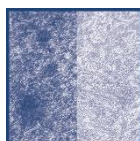

MONIL®-STR

- is a powerful and fast acting super cleaner for mineral surfaces
- for use on patios, stairs, paving, tomb stones, fences, walls and roofs
- removes deep stains on facades and silicone joints

MONIL®-STR

- prevents accidents caused by slippery surfaces
- prolongs life-time of treated surfaces
- is ideal for cleaning before sealing with item 4705 MONIL®-STV

Fields of application and recommended dilution:

Undiluted First, prepare the surface by removing coarse dirt.

Apply MONIL®-STR undiluted using a spraying device. Wait a few minutes for MONIL®-STR to be absorbed, and then rinse with plenty of water.

Using a high pressure washer or scrubbing improves cleaning effectiveness.

Warning: Could cause damage on dyes, paint and plastics! Test on a small hidden spot first. Do not use on metals, fabrics, plants or animals!

Do not combine with acidic cleaners!
