

GERUCH-EX

Smell-binding grease decomposer

Item no. 2080

GERUCH-EX

- is the natural solution for kitchens and floors on basis of orange oil
- removes efficiently fat, sludge and other smelling organic soiling
- dissolves glue residues and tar stains on smooth surfaces

GERUCH-EX

- acts deodorizing and binds malodour already during use
- if used regularly, it keeps drainpipes and gullies fresh and free
- spreads a pleasant orange-fresh scent

Areas of application and recommended dilution:

Well suited for the catering services and food industries.

Conc. – 1:10	Sinks, drains, waste containers, tar stains, oil spots, glue residues
1:10 – 1:100	Cleaning dependant on the pollution
1:20 – 1:30	Detaching agent for asphalt
1:200 – 1:500	Cleaning of fatty kitchen floors and walls
1:100 – 1:1000	High pressure cleaning
1:10⁶	Purification plants

Caution, the undiluted product may harm certain plastics!

We therefore recommend checking the compatibility in a concealed place.
