

ALL-CLEAN schaumarm

Low-foaming all-purpose cleaner

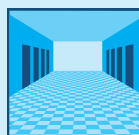

Item no. 2543

ALL-CLEAN schaumarm

- is an environmentally friendly neutral cleaner for all water-compatible floor coverings
- cleans marble, glass and tiles and polymer coated floors
- convinces with its environmentally friendly ingredients and uncompromising performance

ALL-CLEAN schaumarm

- has been adjusted to be particularly low-foaming and is suitable for cleaning machines of all types
- reliably removes any kind of grease and everyday dirt without leaving streaks
- spreads a pleasant, fruity scent

Areas of application and recommended dilution:

1:400 (20 ml to 8 l water).

For maintenance cleaning by means of manual wiping or mechanical wet cleaning.

1:200 (40 ml to 8 l water).

For surface cleaning by spraying and for heavier soiling.

Do not overdose! Too high application concentrations can lead to undesired foam formation. Hot water increases the cleaning performance and additionally dampens foam formation.

For the basic cleaning of heavily soiled floors, we recommend the environmentally friendly basic cleaner ALL-FORTE (Item. no. 2520).

Chemical characterisation:

Appearance:

Orange liquid with a smell of passion fruit.

Ingredients:

Preparation from surfactants, skin protecting and caring components, auxiliaries, preservatives, dye and perfume in water. Free of AOX, ammonia or aldehydes.

All surfactants are readily biodegradable.
